Panel Discussion  
& Live Demonstration

07 / 08  
JUNE

UNICAMP  
Campinas - SP

**UNICAMP**

**Almino Cardoso Ramos**  
MD, MSc, PhD, FACS, FASMBS, IFSO President  
Scientific Coordinator Chair

Current President of the IFSO-International Federation for the Surgery of Obesity and Metabolic Disorders  
Honorary Fellow of ASMBS  
Professor at UNICAMP State University of Campinas and ABC Medical University

“ The Future Trends in Bariatric/Metabolic Surgery bring together the best national and international experts to address the most recent innovations and new frontiers of surgical and endoscopic approaches. The participants will discuss and evaluate the technical aspects of the most challenging procedures, indications and management of bariatric complications, supported by surgeries performed on live. In this first edition, we highlighted two topics, the fundamentals and best practices on OAGB/MGB and SADI/OADS. ”

## International Faculties

**Antonio José Torres**  
MD, PhD, FASMBS, FACS - Spain

Chief of General Surgery Department  
Complutense University of Madrid/Spain and  
San Carlos Hospital Madrid/Spain  
IFSO Board of Trustees Chairman  
Former President of IFSO

**André Teixeira**  
MD, FACS, FASMBS - USA

Orlando Health Bariatric and Laparoscopic  
Center Director  
Fellowship Director at Orlando Health  
Bariatric Service Laparoscopic, Endoscopic  
and Robotic Unit

**José Antonio Castañeda Cruz, MD,**  
Mexico

Director of Gastric Bypass Mexico Institute  
Guadalajara - Mexico

**Marcos Berry, MD**  
Santiago, Chile

Chief of Bariatric and Metabolic Surgery at  
Clinica Las Condes, Santiago-Chilend Clinic

## Organization Chair

**Nelson Adami Andreollo**  
MD, PhD

Head Professor of Surgical Department of  
State University of Campinas - UNICAMP  
Chief of Digestive Surgery UNICAMP Unit

**Elinton Adami Chaim**  
MD, PhD

Associate Professor of Surgical Department  
of State University of Campinas - UNICAMP  
Coordinator of UNICAMP Obesity Treatment  
Department

## National Faculties

Caetano Marchesini  
Fábio Viegas  
Felippe Camarotto  
Lício Veloso, PhD  
Luis Vicente Berti  
Marcelo Gomes Girundi, MD  
Marco Aurélio Santo, MD, PhD  
Marcos Leão Vilas Boas

## Scientific Coordinator Co-Chair

**Éverton Cazzo, MD, PhD**

Adjunct Professor  
at Digestive Disease  
Department of UNICAMP

## Local Organizing Committee

José Carlos Pareja, PhD  
Francisco Callejas Neto, MD  
Martinho Gestic, MD  
Murilo Pimentel Utrini  
Felipe Davi Mendonça Chaim, MD

# PANEL DISCUSSION PROGRAM

07 / JUNE

## VITORIA HOTEL CONCEPT

Av. José de Souza Campos, 425 - Nova  
Campinas, Campinas - SP, 13025-320

## UNICAMP Executive Board

Antonio Gonçalves de Oliveira Filho  
UNICAMP Superintendence

Manoel Barros Bertollo  
UNICAMP Rectory

## UNICAMP Digestive Surgery Department

Nelson A. Andreollo  
Elinton A. Chaim

4 pm

Welcome Reception  
and Opening

### Module I

4:30 - 5 pm

Obesity and Central Nervous System Weight  
and Metabolism Regulation  
Licio Veloso

### Moderators

Elinton A. Chaim  
Almino C. Ramos

5 - 5:30 pm

Gastrointestinal regulation of weight  
and metabolism  
Felippe Camarotto

### Discussants

Marcelo Girundi  
Marcos Berry

5:30 - 5:50 pm

Why obesity deserves surgical treatment and  
what the limits for the surgery  
Marco Aurélio Santo

5:50 - 6:10 pm

New frontiers of Bariatric/Metabolic Surgery  
João Caetano Marchesini

6:10 - 6:40 pm

Discussion - Q&A

6:40 - 7 pm

Coffee Break

7 - 7:20 pm

The current scenario in Bariatric/Metabolic  
Interventions: Sleeve x RYGB Results and Limits  
Fábio Viegas

7:20 - 7:40 pm

Why we need new interventional alternatives  
in Bariatric/Metabolic Procedures  
Antonio Torres

7:40 - 8 pm

Fundamentals of OAGB/MGB  
Almino C. Ramos

8 - 8:20 pm

Fundamentals of SADI/OADS  
Antonio Torres

8:20 - 8:40 pm

Robotic and Endoscopy - Is there  
any advantage?  
André Teixeira

8:40 - 9 pm

Discussion - Q&A

09:30 pm

Dinner

# PANEL DISCUSSION PROGRAM

08 / JUNE

**CLINICAL HOSPITAL - UNICAMP**

Av. Vital Brasil

## Module II

8 - 8:20 am The search for the ideal procedure in bariatric/metabolic surgery: are we close?  
Marcos Leão Vilas Boas

### Moderators

Marcos Leão Vilas Boas  
Fábio Viegas

8:20 - 8:40 am The results of UNICAMP OAGB/MGB Trial  
Elinton A. Chaim

8:40 - 9 am Discussion - Q&A  
Felippe Camarotto

9 am Live Surgeries

Room 1 - OAGB/MGB  
Room 2 - SADI/OADS

10:40 - 11am Coffee Break

## Module III

11 - 11:15 am Complications/Prevention of complications in OAGB/MGB  
Éverton Cazzo

### Moderators

Luis Vicente Berti  
João Caetano Marchesini

11:15 - 11:30 am Complications/Prevention of complications in SADI/OADS  
André Teixeira

11:30 - 11:45 am Gastric Bypass Conversion to DBP-DS  
José Antonio Castañeda Cruz

11:45 - 12 am Discussion - Q&A

12 am Live Surgeries

Room 1 - OAGB/MGB  
Room 2 - SADI/OADS

14 - 14:20 pm The relation Centers of Excellence x Hospital x Patients: How we can improve and increase our practice?  
Luis Vicente Berti

14:20 - 14:30 pm Closing remarks

14:30 pm Adjourn
