Opening Session

The Opening Session was held in the presence of the highest IFSO Authorities such as Dr. Lilian Kow (IFSO President) and of the four Presidents of IFSO MENAC (Dr. Khaled Mirza Gari), GOSS (Dr. Salman Al Sabah), SASMBS (Dr. Aayeed Alqathany) and PASMBS (Dr. Hayssam Fawal). All of them were introduced by Dr. Waleed Bukhari, Congress President.

At the end of the Opening Session, Prof. Zohair Al-Halees, President of the Word Society for Pediatric and Congenital Heart, King Faisal Specialist Hospital and Research Center, Riyadh, held an outstanding Plenary Lecture entitled “An ounce of prevention is worth a pound of cure”.

Awards Ceremony

A special recognition has been awarded to all session Chairs and to Dr. Ashraf Haddad and Dr. Mohammad Alnaami for their cooperation to the organization of the scientific sessions of the Meeting.

IFSO MENAC President Khalid Mirza Gari has handed over the presidency of the MENA Chapter to the incoming President Dr. Khaled Gawdat.

Networking Opportunities

TRADITIONAL DINNER

A very traditional Arabic dinner was organized for the Faculty Members in a private ranch into the desert in the Dammam Area.

Participants have enjoyed an excellent dinner with food produced in the same ranch.

Networking Opportunities

FACULTY DINNER

The Faculty dinner was held in a very unique place. A Museum of a private collector of each kind of objects (cars, radios, giant teapots, plates) and many others. The guests were greeted by a folkloristic show of traditional Arabic dancers and players.

Networking Opportunities

SOCIAL DINNER

The social Dinner was held at the Armin Restaurant. A very glamorous restaurant on the Seafront Corniche. During the dinner all Faculty Members have been awarded with appreciation certificates and traditional presents
