Bariatric & Metabolic Surgery Symposium Innovations in Revision

Halic Congress Center, Istanbul, Turkey

Johnson & Johnson II. B&M Surgery Symposium

The Johnson & Johnson institute invites you to the 2nd annual bariatric & metabolic surgery symposium. The educational program combines interactive plenary sessions and case discussions and opportunity for an open exchange between the experts and attendees.

Interactive case sessions will focus on challenges and complication management in revisional bariatric surgery and discuss treatment algorithms. Evidence-based debates among the experts on emerging bariatric procedures will provide an overview of current techniques and assess the status quo.

All sessions led by a highly experienced national and international faculty, experts in the field of bariatric & metabolic surgery.

Yours sincerely,

Merve Karakale
