Overview

The **Johnson & Johnson Institute** proudly presents the webinar series “**E-BARI DEBATE of the Month**”. The **moderator, Prof. Karl Miller**, will introduce each month a different “**hot**” **topic**, which is currently discussed in the bariatric & metabolic community. He will invite for each E-BARI DEBATE **4 renown experts** and ask them to present their opinion related to the topic. The **audience** will have the opportunity to **actively participate during Q&A and voting** sessions. The goal of the webinar series is to address important topics in bariatric & metabolic surgery, to debate different perspectives, to exchange experience and to share knowledge.

The **E-BARI Debate of December** will focus on “**Revisional Surgery in Bariatric Non-Responders**”. Experts will share their vast experience of how to manage patient cases, which require a revisional or conversional bariatric procedure.
