Latest Guidance on COVID-19 & Bariatric Surgery to Transition Safely out of the Pandemic

Virtual Course

Welcome

The Johnson & Johnson Institute continues to support healthcare professionals as they battle on the front lines during the #COVID-19 health crisis.

This special online course will focus on the latest Guidance, Criteria & Consensus Statements on COVID-19 & Bariatric Surgery to Transition Safely out of the Pandemic.

This interactive course is limited to a small circle of delegates in order provide them the possibility to directly discuss with the faculty how to implement the framework on safely resuming bariatric surgery in their clinic based on their local COVID-19 situation.

Yours sincerely,

Ute Kablitz
Professional Education Manager
Bariatric & Metabolic Specialty
Europe, Middle East and Africa
