

RED ROCK HOTEL • LAS VEGAS FEBRUARY 25-28, 2015

Earn up to 32 CME Credits Including Optional MOC Self-Assessment Credit

Join us for the premier meeting of thought leaders and pioneers in minimally invasive surgery

EXECUTIVE DIRECTOR

Philip R. Schauer, MD

Professor of Surgery Cleveland Clinic Lerner College of Medicine Director, Advanced Laparoscopic and Bariatric Surgery Bariatric and Metabolic Institute Cleveland Clinic Cleveland, OH

SPECIAL KEYNOTE SPEAKERS

William C. Meyers, MD (Hernia) Drexel College of Medicine Duke University Medical Center

Jefferson Medical College

C. Daniel Smith (Foregut) Mayo Clinic Jacksonville

Arya Sharma, MD, PhD (Metabolic/Bariatric) Alberta Diabetes Institute University of Alberta

Michael J. Stamos, MD (Colon) University of California Irvine Past-President, ASCRS

Topics: Colon, Hernia, Foregut, Metabolic/Bariatric

PLUS, Optional Hands-on Suturing and Endoscopy Workshops*

*Separate fee required.

Full conference, colon/hernia/foregut, and metabolic/ bariatric/hernia/foregut registration options available

This course meets the guidelines as established in the "Framework for Post-Residency Surgical Education and Training" and is **endorsed by the Society of American Gastrointestinal Endoscopic Surgeons (SAGES).**

Jointly provided by

Endorsed by

Dear Colleague,

It is my pleasure to invite you to our upcoming Minimally Invasive Surgery Symposium (MISS), February 25 - 28, 2015 at the Red Rock Hotel in Las Vegas, Nevada. Celebrating its 15th year, MISS is the premier meeting of thought leaders and pioneers in minimally invasive surgery for colon, hernia, foregut, and metabolic/bariatric surgery.

In addition to compelling general sessions, the 2015 MISS will offer hands-on training with optional workshops in laparoscopic suturing and endoscopic interventions.

With flexible registration options, early bird rates, and our collegial Chairman's Reception (included in your registration fee) on Thursday evening, MISS is an affordable, and enjoyable way to elevate your skills in the most advanced laparoscopic techniques while you earn essential CME credit (including optional self-assessment credit).

I hope to see you and your colleagues at the 2015 MISS!

Sincerely,

Shills R Markan

Philip R. Schauer, MD Executive Director, MISS

OPTIONAL HANDS-ON WORKSHOPS

Limited space available. First come, first served!

HANDS-ON WORKSHOPS (Optional – separate fee required)

Director: Ninh Nguyen, MD, FASMBS

- Each hands-on workshop offers 2 CME credits. • Improve Your Skills: Laparoscopic Suturing
- Wednesday, February 25, 2015, 8:15 AM 10:15 AM This hands-on course provides an overview of laparoscopic suturing skills and how they allow surgeons to advance to an expert level by adding the flexibility of intracorporeal suturing and knot tying.

 Improve Your Skills: Endoscopic Interventions Wednesday, February 25, 2015, 10:45 AM – 12:45 PM This hands-on workshop features endoscopic techniques for therapeutic endoscopy including clipping, thermal ablation, balloon dilation, and endoscopic stenting.

Please see web site www.MISS-cme.org for complete workshop information.

MISS SCIENTIFIC POSTER SESSIONS

For complete details and to submit your abstract please see the poster session page of the MISS web site. Deadline for submissions is December 15, 2014

6:30 AM Breakfast/Exhibits

Colon Program, continued

Colon Session IV

Welcome to my OR: A demonstration of an operation from patient positioning, equipment and trocar placement to performance of the procedure (continued) How I do a Lap Total Mesorectal Excision (TME) Rectal Resection 7:30 AM 7:45 AM How I do a Robotic Total Mesorectal Excision (TME) Rectal Resection 8:00 AM Q&A/Panel with Faculty **Diverticulitis** 8:15 AM Wash-out Therapy: The Future or Washed up? Is Quality of Life Better with or without Surgery? Who Needs a Resection 8:30 AM and When? 8:45 AM Hartmann's Procedure versus Anastomosis with/without Diversion: Who and When Appropriate

9:00 AM Keynote Presentation: What is the Current State of Minimally Invasive Colon and Rectal Surgery in the US and What is the Ceiling?

- 9:20 AM Q&A/Panel with Faculty
- 9:30 AM Refreshment Break/Exhibits

*Invited

(Faculty and agenda subject to change. Please see web site for updated schedule.)

Hernia Program Part 1

Hernia Session I

Mesh Use in Hernia Repair		
10:00 AM	Evidenced-Based Assessment of Bioprosthetics in Hernia Repair	
10:15 AM	Fallacy of the Ideal Mesh: Mesh of the Future	
10:30 AM	Mesh Use and "Tricks" for the Contaminated Hernia	
10:45 AM	Q&A/Panel with Faculty	
Quality in Hernia Repair – You ARE Being Judged		
11:00 AM	Why Technique Matters in Hernia Repair	
11:15 AM	Improving Value in the World of Hernia Repair	
11:30 AM	Improving Hernia Outcomes through Collaboration	
11:45 AM	Q&A/Panel with Faculty	
12:00 PM	Sponsored Lunch Symposium	
1:00 PM	Dessert Break Exhibit Hall	

Foregut Program Part 1

Foregut Session I

1:30 PM	Laparoscopic Pancreatic Resection
1:45 PM	Laparoscopic Liver Resection
2:00 PM	Small Bowel Enteroscopy and Endoscopic Approach to GI Tumors
2:15 PM	Q&A/Panel with Faculty
2:30 PM	Approach to GIST
2:45 PM	Minimally Invasive Esophagectomy
3:00 PM	Gastroparesis
3:15 PM	Q&A/Panel with Faculty

Hernia Program Part 2

Hernia Session II

```
Techniques
```

,	
3:45 PM	Laparoscopic V/I Hernia Repair - Better Than Open for the Right Patient?
4:00 PM	Tranversus Abdominis Release – When and How?
4:15 PM	Robots in Hernia Surgery - Are You Kidding Me?
4:30 PM	Q&A/Panel with Faculty
Groin Pain – P	Please Stop Using Those Other Terms
4:45 PM	Taking the Leap – Time to Expand Your Horizon
5:00 PM	Core Muscle Injury I
5:15 PM	Core Muscle Injury II
5:30 PM	Q&A/Panel with Faculty
5:45 PM	Stretch Break

Foregut Program Part 2

Foregut Session II

6:00 PM	Brooks Cash Gastroenterologist Approach to GERD
6:15 PM	LINKS for GERD
6:30 PM	Gastroenterologist Approach to Barrett's
6:45 PM	Surgical Including Radiofrequency Abalation Treatment of Barrett's
7:00 PM	Paraesophageal Hiatal Hernia Repair
7:15 PM	Q&A/Panel with Faculty
7:30 PM	Chairman's Reception/Exhibits

FRIDAY, FEBRUARY 27, 2015

6:30 AM Breakfast/Exhibits

Metabolic/Bariatric Surgery

Metabolic/Bariatric Surgery Session I

	The Science and Metabolic & Diabetes Surgery: Part 1		
7:30 AM The Gut Microbiomes in Health and Disease: Implications		The Gut Microbiomes in Health and Disease: Implications	
		for Bariatric Surgery	
	7:50 AM	Obesity and its Effects on Cognition and Dementia	
	8:10 AM	Labs Data and What it Infers	
8:30 AM Update on Mechanisms of Diabetes Remission		Update on Mechanisms of Diabetes Remission	
	8:50 AM	Hypoglycemia after Gastric Bypass: How Serious and How to Manage	
	9:10 AM	Q&A/Panel

Controversies	and New Frontiers (continued)
10:00 AM	The Sleeve Bypass
10:20 AM	Foregut Pathology with Bariatrics, Both Pre and Post Weight Loss Surgery
10:35 AM	Duo Intragastric Balloon USA Trial
10:50 AM	Emerging Technology Update: New Devices (Endoluminal and Suturing)
11:05 AM	The Band and Special Populations: the Elderly; the Sick and Children
11:20 AM	Debate: Bypass vs. Switch for Patients with BMI Over 60
11:35 AM	Top Five Papers of 2014
11:50 AM	Debate: The Dominant Procedure of the Future - Sleeve vs. Bypass

- 11:50 AM Debate: The Dominant Procedure of the Future Sleeve vs. Bypass
- 12:10 PM Q&A/Panel

12:30 PM MISS Adjourns

COURSE OBJECTIVES

COLON PROGRAM 7.75 AMA PRA Category 1 Credit™

After completing this activity, the participant will be able to do the following:

- Explain the technical aspects of laparoscopic colectomy with an emphasis on complicated disease processes including the reoperative abdomen, advanced malignancies, and pelvic dissection.
- Illustrate the principles of laparoscopic colon resection for benign and malignant disease with an emphasis on complex cases.
- Describe the available strategies to improve perioperative outcomes.
- Cite the different techniques of anastomotic creation and the potential ways to avoid and treat anastomotic leaks.
- Identify the different options for minimally invasive abdominal procedures including laparoscopy, handassisted techniques, the use of the robot, and SILS.

HERNIA PROGRAM 4 AMA PRA Category 1 Credit™

After completing this activity, participants will be able to:

- List the current common techniques for inquinal hernia repair
- Describe open and laparoscopic techniques for repair of ventral and incisional hernias.
- Compare the differences among biologic, synthetic, and biosynthetic meshes and when best to use them.

FOREGUT PROGRAM 3.5 AMA PRA Category 1 Credit™

After completing this activity, participants will be able to:

- Recognize and describe medical and surgical treatment options for GERD.
- Discuss treatments for GERD and esophageal cancer.
- Indicate and manage complications of surgical treatment for GERD.
- Identify and manage recurrence of disease.

METABOLIC/BARIATRIC PROGRAM 12.75 AMA PRA Category 1 Credit™

After completing this activity, the participant will be able to do the following:

- Summarize the recent research on obesity causes including genetic and biologic factors.
- Discuss the pros and cons for current bariatric surgical options for obese patients, and describe the appropriate perioperative care.
- Review the clinical trial evidence documenting the impact of bariatric surgery on cardiovascular morbidity, mortality, and risk factors.
- Analyze the efficacy of current obesity management strategies, including lifestyle, diets, pharmacology, and surgery.
- Diagnose and treat comorbidities associated with obesity including cancers, diabetes, and heart disease.

ABOUT OUR VENUE

Red Rock Hotel Las Vegas, Nevada

The 2015 MISS will take place at the Red Rock Hotel, Las Vegas where we have arranged for discount room rates of just \$165* a night for MISS participants. To make your

reservation, please call (866) 767-7773 and identify yourself as a MISS attendee. Discount rate expires January 27, but we urge you to make your arrangements as soon as possible, as our room block will sell out.

*Plus \$15 amenity fee which includes in-room Internet, daily newspaper, admission to the exercise facility, scheduled shuttle transportation between McCarran Airport and the Red Rock, and scheduled shuttle transportation between the Red Rock and the Las Vegas strip.

CONTINUING MEDICAL INFORMATION

Faculty Disclosure

□ INTERVENTIONAL ENDOSCOPY

Wednesday, February 25, 2015

In accordance with the Accreditation Council for Continuing Medical Education (ACCME) requirements on disclosure, information about the relationships of presenters with commercial interests (if any) will be included in materials distributed at the conference.

Physician Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Cincinnati and Global Academy for Medical Education, Inc. The University of Cincinnati is accredited by the ACCME to provide continuing medical education for physicians.

Physician Credit Designation:

The University of Cincinnati designates this Live Activity for a maximum of 32 AMA PRA Category 1 Credit[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Surgery Maintenance of Certification (MOC) Self-assessment (optional)

American Board of Surgery Maintenance of Certification (MOC) Self-assessment will be offered at 2015 MISS. Optional MOC self-assessment credit will be available for delegates who complete curriculum related questions before leaving the conference. Self-assessment is a written or electronic questionand-answer exercise that assesses your understanding of the material presented in the CME program. Diplomates must achieve a score of 75% or higher for the self-assessment to count for MOC.

Physician Assistants Credit Designation

The American Academy of Physician Assistants (AAPA) accepts Category 1 CME approval from the American Academy of Family Physicians and organizations accredited by the ACCME to grant Category 1 hours toward the PRA.

Nurse Practitioners

The American Association of Nurse Practitioners (AANP) accepts AMA PRA Category 1 Credit(s)[™] from organizations accredited by the ACCME.

Earn up to 32 CME Credits Including Optional MOC Self-Assessment Credit
