

IFSO Corporate Committee

IFSO is proud to partner with some of the medical industry's premier companies and aims to better facilitate communications and feedback between the Federation, our members and industry professionals. Support from industry professionals helps IFSO further our goal of providing continuing education resources to our members and other bariatric professionals. IFSO provides appropriate opportunities for communication and exchange of ideas with our members through our conferences, member communications, and other collaborative ventures. The IFSO Corporate Committee is organized to develop and enhance the joint strategies and efforts of bariatric surgeons, healthcare professionals and industry professionals. The Corporate Council offers opportunities to work with industry peers in appropriately influencing the healthcare of the morbidly obese.
